

The 6 Goals

Our mission is to provide Coloradans with comprehensive data on the patterns, context, and impact of substance use.

1 Catalog Existing Prevention Efforts

- What are your current prevention efforts?
- What data sources do you use?
- How can we help?

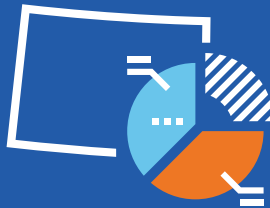

4 Publish & Distribute Findings

- Research briefs
- Community profiles
- Presentations

2 Characterize Substance Abuse Across the State

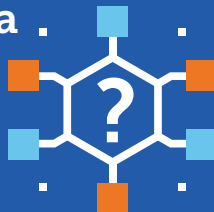

5 Compile Data on a Publicly Accessible Platform

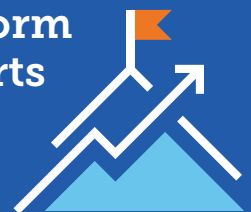

3 Identify & Address Gaps in Prevention Data

- What is missing from our prevention data and knowledge?

6 Continue to Inform Prevention Efforts
