Rulemaking under the Colorado Fair Debt Collection Practices Act

To Whom It May Concern:

The Colorado Fair Debt Collection Practices Act (“CFDCPA” or “the Act”) authorizes the Administrator of the Uniform Consumer Credit Code in the Department of Law to “make reasonable rules for the administration and enforcement of [the Act], including standards of conduct for licensees and collection notices and forms.” § 5-16-114, C.R.S. In addition, the Act provides that “Any person acting as a collection agency must possess a valid license issued by the administrator in accordance with [the Act] and any rules adopted pursuant thereto.” § 5-16-118, C.R.S.

The Administrator is interested in amending and clarifying her rules under the CFDCPA and is soliciting topics for rulemaking from interested parties. The current version of the Administrator’s rules under the CFDCPA is available [here](#).

The Administrator provides redline of the current rules to illustrate changes in a draft proposed rule attached to this Notice. The Administrator would like any written feedback on these topics or any additional topics for rulemaking at your earliest convenience. In addition, the Administrator’s staff will hold a stakeholder meeting at 2 pm on Tuesday, August 25, 2020.
