COLORADO FAIR DEBT COLLECTION PRACTICES ACT RULES

4 CCR 903-1

[Editor's Notes follow the text of the rules at the end of this CCR Document.]

Scope of Rules

These rules apply to all collection agencies and debt collectors, whether or not exempt from licensing under the Colorado Fair Debt Collection Practices Act, unless the rule is limited to “licensees” or “applicants.” The words “client” and “creditor” have the same meaning throughout these rules.

Chapter 1 Licensing and Disciplinary Matters

Rule 1.01 Collections Manager

- (1) Whenever an applicant or licensee designates a new collections manager, it shall notify the Administrator by filing a collections manager application form. The collections manager shall meet the qualifications of sections 5-16-119, 5-16-123(2), and the other applicable provisions of the Colorado Fair Debt Collection Practices Act.
- (2) Pursuant to section 5-16-122(3)(a), C.R.S., an application filed due to a change of collections manager shall be filed within thirty days of the change. The temporary absence of an approved collections manager does not constitute a change requiring designation of a new manager.
- (3) Repealed

Rule 1.02 Licensure

- (1) No license shall issue until all necessary documents and information have been filed, all fees paid, and the designated collection manager's qualifications to collect debts has been determined. No debts may be collected nor creditor accounts solicited until a license has been issued.
- (2) Within sixty-three (63) days after notice from the Administrator that the application is incomplete, the applicant must complete the application for licensure by providing all necessary documents, information, and fees specified. If the licensure application is not completed within that time, the application shall be null and void and the applicant must then reapply for licensure, including payment of all fees.

Rule 1.03 Aliases

- (1) Licensees must retain records reflecting the true name of all debt collectors and, if applicable, the one alias used by each debt collector. These records shall be retained for two (2) years after the debt collector leaves the licensee's employment. The Administrator may require a licensee to submit these records at any time.
- (2) No debt collector may use more than one alias. The alias must consist of both a first and last name. Debt collectors employed by a licensee may not use the same alias.

Rule 1.04 Letters of Admonition

- (1) Any letter of admonition issued against a licensee or collections manager shall be mailed by first-class certified mail or emailed to the general mailings contact provided in the licensee's most recent renewal application.
- (2) A licensee or collections manager receiving a letter of admonition may appeal the admonishment by filing a written request within forty-two (42) days after the date of the letter. Upon receipt of a timely appeal, a hearing will be held. While an appeal is pending, the letter of admonition shall be vacated until conclusion of a hearing held pursuant to Rule 1.04(3).
- (3) Any hearing held following a request to appeal the issuance of a letter of admonition shall be conducted pursuant to the State Administrative Procedure Act, title 24, article 4, of the Colorado Revised Statutes. If a violation of the Colorado Fair Debt Collection Practices Act, the rules adopted pursuant thereto, or a lawful order has occurred, or the licensee fraudulently obtained a license, the licensee, collections manager, or both, as applicable, may be disciplined as provided in section 5-16-127(10), C.R.S.

Rule 1.05 Termination of License

- (1) Upon the revocation, expiration, or surrender of a license, the licensee must immediately cease collection activities. All client accounts must be returned to the clients within thirty-five (35) days unless the licensee has written authorization from the client to transfer or assign the accounts to another collection agency for collection. No later than the end of the thirty day period, the licensee must file a notarized affidavit with the Administrator stating its compliance with this rule and providing the names and addresses of all clients for whom it was attempting to collect debts.
- (2) The licensee shall not charge or retain any fee or commission for the return or transfer of client accounts made pursuant to Rule 1.05(1).
- (3) All consumer payments received after the revocation, expiration, or surrender of a license shall be immediately forwarded in full to the applicable client without the licensee's retention of any fee or commission.
- (4) This rule does not prohibit the bulk sale of the licensee's business, assets, and goodwill as a unit, including the provision of information to enable the purchaser to solicit reassignment of client accounts directly from the client after termination of a license.
- (5) This rule does not apply to any license voluntarily surrendered in conjunction with the simultaneous issuance of a new license due to any of the changes listed in section 5-16-122(2)(c), C.R.S.

Rule 1.06 License Renewals

Collection agency licenses shall be valid from the date of issuance to the following July 1. In order to renew its license, a licensee must file its completed renewal application and renewal fee on or before July 1 of each year or its license shall automatically expire.

Rule 1.07 Address Changes

A collection agency's obligation to provide written notice to the administrator within thirty days after an address change pursuant to section 5-16-122(1)(a), C.R.S. applies to both the local Colorado office and the principal place of business printed on the collection agency's license, and may be provided by electronic mail, U.S. mail, or any other delivery method.

Rule 1.08 Abbreviated Applications

 - (b) maintains at that office records, or free and easy access to records, of all moneys collected and remitted for Colorado residents;
 - (c) accepts payments physically made at that office for any debt the agency is attempting to collect;
 - (d) staffs that office with a full time employee who may be a shared employee;
 - (e) provides a telephone number that may be a shared telephone number, that rings to the local Colorado office, and is answered in a manner that does not mislead consumers; and,
 - (f) complies with all applicable provisions of the Colorado Fair Debt Collection Practices Act.

- (2) Every collection notice mailed or delivered by a licensee must contain the collection agency's name, mailing address, toll-free telephone number, and the address and telephone number of its local Colorado office. The collection agency's address(es) may not be printed only on any portion of the collection notice designed to be returned to the agency with the consumer's communication or payment. "Toll-free" means a call made at no cost to the consumer.

- (2) No licensee shall advise, suggest, or request that a client add collection costs to any existing debt unless such costs are specifically authorized by statute or by the contract, agreement, note, or other instrument creating the debt and that are not otherwise prohibited by law.
- (3) If a statute, contract, agreement, note, or other instrument specifically authorizes the addition of collection costs and such costs are collected, the licensee may retain only those collection costs exclusive of attorney fees and court costs as its fee or commission for the collection of the debt, unless otherwise agreed to in writing with the assignor.
- (4) No collection agency shall add, collect, or attempt to collect costs of collection pursuant to §13-21-109(1)(b) (II), C.R.S. on any dishonored check, draft, or payment order payable to it unless the check is assigned for collection to another collection agency not owned in whole or in part by the payee collection agency.

Rule 2.04 Overpayment

If a collection agency has received final payment of any debt which overpays the debt by more than five dollars (\$5.00), it shall issue a refund to the consumer of the amount of the overpayment within thirty-five (35) days after the end of the month in which the payment was received unless otherwise required by law or as directed by court order.

If the collection agency records calls, the call recordings must be retained for two (2) years, in an accessible format upon request by the Administrator. Where summaries and records are both kept, both must be accurate.

Rule 2.08 Business Cards

- (1) No collection agency shall use a business card in obtaining or attempting to obtain location information about a consumer or in communicating or attempting to communicate with a consumer unless:
 - (a) The business card does not indicate in any way that the collection agency is in the business of collections or is attempting to collect a debt, or,

Rule 2.09 Attorney Letters

- (1) During the time that a licensee is in possession of a creditor account, the licensee shall not use or deliver any communication from an attorney unless the creditor has previously provided specific written authorization to commence legal action to collect the debt, which may be provided in electronic form so long as the licensee maintains a contemporaneous record of such authorization.
- (2) This rule does not prohibit any direct communication from an attorney if the attorney is authorized to collect the debt.
