RE: Stakeholder Meeting on July 14, 2021 at 10 AM via Zoom for
Rulemaking under the Colorado Student Loan Equity Act

To Whom It May Concern:

On June 29, 2021, Governor Polis signed [SB21-057](#). The Colorado Student Loan Equity Act (“the Act”) authorizes the Administrator of the Uniform Consumer Credit Code in the Department of Law to establish fees for the private education lender registry, to set requirements for the timing of required documents and information for the registry, and to prescribe an alternative registration process and fee structure for public and private nonprofit postsecondary educational institutions. § 5-20-203, C.R.S.

The Act requires registration by September 1, 2021. The Administrator is considering emergency rulemaking to implement the registration requirements and seeks public input. In particular, the Administrator seeks information about the number of entities that will need to register. The Administrator would like any written feedback on the fees, timing of document and information requirements, and alternative registration process by July 14, 2021. Written feedback may be submitted by email at cslsa@coag.gov. In addition, the Administrator’s staff will hold a stakeholder meeting at 10:00 AM July 14, 2021 for those who wish to provide verbal feedback.
