COUNT ONE
VIOLATION OF THE COLORADO ORGANIZED CRIME CONTROL ACT—
PARTICIPATION IN AN ENTERPRISE—PATTERN OF RACKETEERING, C.R.S. § 18-17-
104(3) [F2] 37284

Between and including November 17, 2019 and June 10, 2020, in the State of Colorado, **Kevin Acosta-Larkin**, while employed by or associated with an enterprise as defined by § 18-17-103(2), C.R.S., as amended, namely: a group of individuals associated in fact, although not a legal entity, unlawfully, feloniously, and knowingly conducted or participated, directly or indirectly, in the enterprise through a pattern of racketeering activity; in violation of sections 18-17-104(3) and 18-17-105, C.R.S.

COUNT TWO
VIOLATION OF THE COLORADO ORGANIZED CRIME CONTROL ACT—
PARTICIPATION IN AN ENTERPRISE—CONSPIRACY, C.R.S. § 18-17-104(4) [F2] 37285

Between and including November 17, 2019 and June 10, 2020, in the State of Colorado, **Kevin Acosta-Larkin**, did unlawfully, feloniously, and knowingly conspire or endeavor to conduct and participate, directly or indirectly, in an enterprise, through a pattern of racketeering activity; in violation of section 18-17-104(4) and 18-17-104(3), C.R.S.

The offenses alleged in Count One and Count One Two were committed in the following manner:

THE ENTERPRISE

The Enterprise alleged in Counts One and Two were a group of individuals, associated in fact although not a legal entity. The individuals in this group include, but are not limited to the following: Maurice Leday, Austin Butler, Kevin Acosta-Larkin, Jason Quijada, Warren Nehring, Gregory Melina, Danny Montelongo, Gerald Garcia, Nehemiah Garcia, Kane Valdez, Chemaine Armijo, Jared Brooks, Gabriel Flood, Adrian Rocha-Chairez, Salvador Mena-Barreno, and other persons known, including but not limited to those indicted, or as yet unknown.

The above-named individuals were involved from time to time in racketeering activity described herein that was related to the conduct of the Enterprise. The conduct of the Enterprise was to illegally burglarize bicycle stores across the Front Range in order to steal high-end mountain bikes. These burglaries were typically accomplished between the hours of midnight and 6:00 a.m. After organizing a particular burglary via Facebook messenger, approximately two to four suspects in gloves and masks gained access to a particular business by using a rock to break a window or by breaching the business with a vehicle. The box truck or vans used in the commission of these burglaries were typically stolen a few hours prior. Upon entry, the suspects targeted high-end mountain bicycles, included carbon fiber bicycles. They did not steal more valuable road bicycles, cash, safes or other merchandise from the stores. The bicycles were then taken to a specific location, and given to a fence who then arranged for the bicycles to be transported for sale out of state, and possibly out of the country. The proceeds were then distributed amongst those involved,

who then used the proceeds to rent hotel rooms and purchase alcohol. On occasion, bicycles were not moved to the fence and were instead offered for sale by the thieves themselves.

Members of the Enterprise had specified roles and responsibilities. Maurice Leday coordinated over the phone with the fence, Rocha-Chairez, prior to committing a particular burglary. At times, Rocha-Chairez also dictated the number of bicycles needed for ultimate sale. Leday then recruited burglary participants in the days leading up to each burglary. Often, these participants were friends and acquaintances of his. This was usually done by using Facebook messenger. Leday accepted or denied participants in the burglaries, and also coordinated the collection of equipment needed, *e.g.* bolt cutters, screwdrivers, hammers, crowbars, gloves, or masks. Once a burglary crew was assembled, one or more of the participants would steal a vehicle, which was then used to surveil the chosen bike shop and commit the burglary. Once the burglary occurred, Maurice Leday met with the fence Rocha-Chairez to deliver the stolen bicycles—sometimes immediately following the burglary. Rocha-Chairez then would coordinate with Mena-Barreno for further sale of the stolen goods. Rocha-Chairez and Leday would again meet to exchange payment for the stolen bicycles. This money is then distributed amongst those who participated or provided assistance, *e.g.* a vehicle for transportation or temporary storage of stolen bicycles. The stolen vehicles used during the commission of the burglary were abandoned. The fences transported the stolen bicycles out of state and possibly to Mexico in a box truck that he owns in order to sell them.

The distribution chain amongst these individuals has operated repeatedly and supplied several other lower level thieves within the Enterprise. The Enterprise served as a source of income for the participants. The Enterprise has been operating since September, 2019.

PATTERN OF RACKETEERING ACTIVITY

Maurice Leday, Kevin Acosta-Larkin, Austin Butler, Adrian Rocha-Chairez, Salvador Mena-Barreno, and others known and unknown to the Grand Jury, directly and in concert, engaged in, attempted to engage in, conspired to engage in, or solicited another to engage in at least two predicate acts, including any lesser offenses, related to the conduct of the enterprise, with at least one of which took place in the State of Colorado after July 1, 1981 and the last of the acts of racketeering activity occurring within ten years after a prior act of racketeering activity and include:

Aggravated Motor Vehicle Theft, § 18-4-409

Second Degree Burglary, § 18-4-203

Theft, § 18-4-401

Criminal Mischief, § 18-4-501

RACKETEERING ACTIVITY

The acts of racketeering activity that the above-named persons committed, attempted to commit, conspired to commit, or solicited, coerced, or intimidated another person to commit, consist of the following predicate acts, all identified as counts listed below, including any lesser included offenses: Count Three through Count Forty Four (with the exception of Counts

Thirteen and Twenty Five) are alleged as predicate acts for Counts One and Two. In addition, the offenses alleged in Counts One and Two were committed in the manner described immediately below and described in the factual summaries in support of the following counts, incorporated by reference.

COUNT THREE

(Series 16, Evergreen Bicycle Outfitters)

SECOND DEGREE BURGLARY - BUILDING, C.R.S. 18-4-203(1) [F4] 06031

On or about February 26, 2020, in the State of Colorado **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly broke an entrance into, entered, or remained unlawfully after a lawful or unlawful entry in the building or occupied structure of 29017 Hotel Way, #C101, City of Evergreen, Jefferson County with the intent to commit therein the crime of Theft; in violation of section 18-4-203(1), C.R.S.

COUNT FOUR

(Series 16, Evergreen Bicycle Outfitters)

THEFT - \$20,000 - \$100,000, C.R.S. 18-4-401(1),(2)(H) [F4] 08A15

On or about February 26, 2020, in the State of Colorado **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly, without authorization or by threat or deception, obtained, retained, or exercised control over; or knowing or believing it to have been stolen, received, loaned money by pawn or pledge on, or disposed of, a thing of value, namely: bicycles of Evergreen Bicycle Outfitters with the value of twenty thousand dollars or more but less than one hundred thousand dollars, and intended to deprive Evergreen Bicycle Outfitters permanently of their use or benefit; in violation of section 18-4-401(1)(a), (2)(h), C.R.S.

The offenses committed in Count Three through Count Four were committed in the following manner.

On or about February 26, 2020, suspects forced entry to Evergreen Bicycle Outfitters, located at 2901 Hotel Way, #C101, City of Evergreen, Jefferson County, through a window. Notably, this same business had previously been burglarized on February 20, 2020, as described above. The suspects entered the business by removing the plywood that had been previously placed over the window broken the earlier burglary. Thereafter, the suspects removed sixteen bicycles valued at \$67,376.27. A witness observed two large white vans, used by three to four suspects, in the area at the time of the burglary.

Phone records revealed that Leday and Rocha-Chairez, and Rocha-Chairez and Mena-Barreno, exchanged several phone calls and/or text messages prior to and following the burglary. Leday contacted Rocha-Chairez immediately after the burglary, and Rocha-Chairez's located moved from his residence to the location at 8790 Brighton Road, Adams County. Rocha-Chairez made multiple calls to Mena-Barreno at that time. Leday and Rocha-Chairez continued to communicate in the days following the burglary. On or about February 28, 2020, a photo of Leday sent from Leday to Gerald Garcia depicts Leday with a large sum of cash.

Investigators reviewed Facebook Messenger messages and other communications both prior to and following the burglary of Evergreen Bicycle Outfitters. These communications indicate that Leday recruited Kevin Acosta-Larkin to participate in this burglary. Phone records also reveal that the physical location of Kevin Acosta-Larkin's phone was in the area of Evergreen Bicycle Outfitters immediately after the burglary, and then its location moved across the greater Denver metropolitan area in the direction of the 8790 Brighton Road location. (See Exhibit 14, Slides 51-64; Grand Jury Testimony, September 23, 2021, pages 67-74.)

Investigators determined that Salvador Mena-Barreno had a white 2009 Ford Econoline box truck (Colorado license plate AAC N78) registered in his name. Investigators further noted that this box truck had made multiple crossings at the United States/Mexico border between August 2019 and August 2020. The driver of the vehicle during these crossings was identified as Luis Saenz. Border records revealed that during this same time period, Saenz had crossed the border a total of 158 times in a vehicle, and 9 times on foot. During an interview with law enforcement in December 2020, Mena-Barreno stated that for employment he buys items locally and sells them at a flea market in El Paso, Texas. He further claimed that he frequently bought bicycles from online sources such as Craigslist, OfferUP and local flea markets, but denied buying bicycles from the same individuals regularly. Mena-Barreno described traveling to Texas once or twice a month to sell items, and once a week pre-Covid. Mena-Barreno also denied that his truck crosses the border south into Mexico. Mena-Barreno denied having significant sources of income other than selling items at the flea markets in Texas. (See Exhibit 9, Slides 1-11; Grand Jury Testimony March 11, 2021, pages 10-13, 21-23.)

Mena-Barreno's bank records show large cash deposits made in El Paso, Texas, and cash withdrawals made in the Denver metro area coinciding with this burglary series. (See Exhibit 16, page 6; Grand Jury Transcript, September 30, 2021, pages 18-20.)

COUNT FIVE

(Series 17, Giant Cycling World)

AGGRAVATED MOTOR VEHICLE THEFT IN THE FIRST DEGREE, C.R.S. 18-4-409(2),(3)(A) [F4] 0804G

Between and including March 23 and March 24, 2020, in the State of Colorado, **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly obtained or exercised control over the motor vehicle of Denver Public Schools, without authorization, or by threat or deception, and used the motor vehicle in the commission of the crimes of Burglary and Theft as set forth in sections 18-4-203 and 18-4-401, C.R.S., and/or caused five hundred dollars or more property damage, including but not limited to property damage to the motor vehicle involved, in the course of obtaining control over or in the exercise of control of the motor vehicle, and the value of the motor vehicle was less than twenty thousand dollars; in violation of section 18-4-409(2),(3)(a), C.R.S.

COUNT SIX
(Series 17, Giant Cycling World)
SECOND DEGREE BURGLARY - BUILDING, C.R.S. 18-4-203(1) [F4] 06031

On or about March 24, 2020, in the State of Colorado **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly broke an entrance into, entered, or remained unlawfully after a lawful or unlawful entry in the building or occupied structure of Giant Cycling World, 7301 S. Santa Fe Drive, City of Littleton, Arapahoe County, located at with the intent to commit therein the crime of Theft; in violation of section 18-4-203(1), C.R.S.

COUNT SEVEN
(Series 17, Giant Cycling World)
THEFT - \$20,000 - \$100,000, C.R.S. 18-4-401(1),(2)(H) [F4] 08A15

On or about March 24, 2020, in the State of Colorado **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly, without authorization or by threat or deception, obtained, retained, or exercised control over; or knowing or believing it to have been stolen, received, loaned money by pawn or pledge on, or disposed of, a thing of value, namely: bicycles of Giant Cycling World with the value of twenty thousand dollars or more but less than one hundred thousand dollars, and intended to deprive Giant Cycling World permanently of their use or benefit; in violation of section 18-4-401(1)(a), (2)(h), C.R.S.

The offenses committed in Count Five through Count Seven were committed in the following manner.

On or about March 24, 2020, suspects forced entry into Giant Cycling World, located at 7301 S. Santa Fe Drive, City of Littleton, Arapahoe County by breaking a window with bolt cutters. Thereafter, suspects removed fifteen bicycles from the business valued at \$31,193.50. Surveillance video from the store depicted three suspects involved in the burglary, as well as the presence of an unidentified U-Haul truck and a white van with the Colorado license plate CUO 866. The white van was abandoned at the scene of the burglary. Significantly, this same location had been previously burglarized in December 2019 in a similar manner as described above.

Subsequent investigation revealed that the van, a white 2013 Chevrolet 210 passenger van, Colorado license plate, VIN 1FBNE3BL0DDA84484, valued at \$11,000, belonged to Denver Public Schools and registered to Colorado High School Charter Osage. Further, the van had been last seen at 1175 Osage Street, City and County of Denver, and was stolen at an unknown time. At the time of recovery, officers noted that the van had a damaged and/or “punched” ignition.

Phone records revealed that Leday and Rocha-Chairez exchanged several phone calls and/or text messages prior to and following the burglary. Investigators also reviewed Facebook Messenger messages and other communications both prior to and following the burglary of Giant Cycling World. These communications indicate that Leday recruited Kevin Acosta-Larkin to participate in this burglary. Phone records also indicate that Leday’s phone was in the area of theft of the van from the Osage Street location less than one hour prior the burglary of Giant Cycling

World on March 24, 2020. After the burglary, Leday's phone location moved to the area 8790 Brighton Road, Adams County. Notably, this location detail is based on a phone call from Leday to Rocha-Chairez. Similarly, on the early morning of March 24, 2020, the location of Rocha-Chairez's phone moved from the area of his residence to the vicinity of 8790 Brighton Road. Facebook records also indicate that following the burglary, Leday rented a hotel room, consistent with the pattern described above.

Facebook messages also demonstrate that following the burglary, Leday and Acosta-Larkin coordinated to sell a bicycle consistent with a make and model of bicycle stolen from Giant Cycling World on March 24, 2020. The communications indicate that Leday and Acosta-Larkin sold the bicycle and divided the proceeds. (See Exhibit 14, Slides 64-79; Grand Jury Testimony, September 23, 2020, pages 74-100.)

Investigators determined that Salvador Mena-Barreno had a white 2009 Ford Econoline box truck (Colorado license plate AAC N78) registered in his name. Investigators further noted that this box truck had made multiple crossings at the United States/Mexico border between August 2019 and August 2020. The driver of the vehicle during these crossings was identified as Luis Saenz. Border records revealed that during this same time period, Saenz had crossed the border a total of 158 times in a vehicle, and 9 times on foot. During an interview with law enforcement in December 2020, Mena-Barreno stated that for employment he buys items locally and sells them at a flea market in El Paso, Texas. He further claimed that he frequently bought bicycles from online sources such as Craigslist, OfferUP and local flea markets, but denied buying bicycles from the same individuals regularly. Mena-Barreno described traveling to Texas once or twice a month to sell items, and once a week pre-Covid. Mena-Barreno also denied that his truck crosses the border south into Mexico. Mena-Barreno denied having significant sources of income other than selling items at the flea markets in Texas. (See Exhibit 9, Slides 1-11; Grand Jury Testimony March 11, 2021, pages 10-13, 21-23.)

Mena-Barreno's bank records show large cash deposits made in El Paso, Texas, and cash withdrawals made in the Denver metro area coinciding with this burglary series. (See Exhibit 16, page 7; Grand Jury Transcript, September 30, 2021, pages 20-22.)

**(Series 18, REI, Cars Remember When, Fay Myers, Havana Auto Parts, Sun Enterprises)
AGGRAVATED MOTOR VEHICLE THEFT IN THE FIRST DEGREE, C.R.S. 18-4-409(2),(3)(A) [F4] 0804G**

Between and including April 16 and April 19, 2020, in the State of Colorado, **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly obtained or exercised control over the motor vehicle of Sun Enterprises, namely a 2020 Echo EUTV-10-13, without authorization, or by threat or deception, and retained possession or control over the motor vehicle for more than twenty-four hours, and the value of the motor vehicle was less than twenty thousand dollars; in violation of section 18-4-409(2),(3)(a), C.R.S.

The offenses committed in Count Eight through Count Twenty were committed in the following manner.

Between and including April 14 to April 15, 2020, suspects stole a white 2005 Ford Econoline E350 passenger van, Colorado license plate 407 NOS, VIN 1F8NE31L95HA45985, valued at \$10,000 and belonging to Mile High Youth Corp. from 953 Decatur Street, City and County of Denver. Mile High Youth Corp. was unaware of the theft until notified by law enforcement following recovery of the vehicle on April 16, 2020 at the scene of a burglary discussed below. Mile High Youth Corp. estimated that the vehicle had been stolen on or about April 15, 2020.

On or about April 15, 2020, at approximately 3:15 a.m., surveillance video captured the Mile High Youth Corp. van (license plate 407 NOS) in the parking lot of Florence Crittenton High School, 55 Zuni Street, City and County of Denver. The surveillance video further depicts two suspects removing a back seat from the van. One of the suspects visible on the video is wearing a blue hooded sweatshirt with "Champion" written on the front, jeans, gloves, a mask, and red shoes. At one point on the video, the suspect removes his mask. A close-up of the suspect with his mask off resembles Maurice Leday. Further, social media photos and videos show Leday wearing a blue Champion hooded sweatshirt and red shoes consistent with the suspect observed with the Mile High Youth Corp. (license plate 407 NOS) passenger van.

On April 15, 2020 at 4:53 a.m., suspects forced entry into the REI, located at 1416 Platte Street, City and County of Denver, by using a crowbar and sledgehammer to break a door. Thereafter, suspects removed two bicycles valued at \$8,794 from the business. The sledgehammer was recovered from the scene. One suspect at the REI wore the same clothing as the suspect in the Florence Crittenton parking lot surveillance video described above. In addition, on or about April 15, 2020, the Mile High Youth Corp. passenger van (license plate 407 NOS) was photographed by a photo red light camera at the intersection of Arapahoe Road and Yosemite Street, in the City of Greenwood Village. The photograph of the driver of the van at that time resembled Leday, including that the driver is wearing a long sleeve blue shirt consistent with the blue Champion hooded sweatshirt described above.

On April 16, 2020 at 1:42 a.m., suspects forced entry into Cars Remember When, located at 4505 S. Santa Fe Drive, unincorporated Arapahoe County, by crashing a van through the gate and a garage door of the business. Surveillance video from that business captured the van used to force entry, and the van observed on the video is the Mile High Youth Corp. passenger van (license plate 407 NOS). The same surveillance captured two suspects in dark clothing and bandanas covering their faces. The forcible entry into the business caused \$33,500 worth of damage to the gates, garage door, and vehicles parked on the showroom floor. The suspects fled the business in the Mile High Youth Corp. passenger van (407 NOS) without taking any property from the store. One black glove and the front bumper of the Mile High Youth Corp. passenger van (license plate 407 NOS) with the license plate still affixed were left inside the store at the time the suspects fled.

On or about April 16, 2020, at 3:57 a.m., suspects cut a padlock and entered into an enclosed/fenced outdoor storage area of Fay Meyers Motorcycle World, located at 9700 E.

Arapahoe Road, City of Greenwood Village, Arapahoe County, causing approximately \$600 worth of damage to the gate. Surveillance video captured the suspects arriving in a 2011 Ford Ranger truck, Colorado license plate 506 XBY, VIN 1FTKR1AD6BPA17451, valued at \$10,000 and registered to Havana Auto Parts. In the video, logos for “auto parts” and a phone number are visible on the truck. The suspects next attempted to steal a 4-wheeler ATV, a 2017 Yamaha 700 cc valued at \$7,999, and a trailer, a 2020 4 pl trailer valued at \$3,999, but were unsuccessful. While leaving Fay Myers Motorcycle World, the suspects backed the Havana Auto Parts truck into a side-by-side utility vehicle belonging to Fay Myers, causing approximately \$1,035 worth of damage.

Following the Fay Myers burglary, investigators visited the Havana Auto Parts store, located at 9640 E. Arapahoe Road, City of Greenwood Village, Arapahoe County. Importantly, this auto parts store is located approximately one block from Fay Myers Motorcycle World. There officers discovered that the business was missing a 2011 Ford Ranger truck (Colorado license plate 506 XBY). In addition, the office observed the Mile High Youth Corp. passenger van (Colorado license plate 407 NOS) abandoned, and still running. Officers noted damage to the vehicle, including a “punched” ignition, broken windshield, and damaged side. From inside the van, officers also recovered a sign for a “Guerilla Gravity” bicycle consistent with a bicycle stolen from REI on April 15, 2020.

On or about April 16, 2020, at 4:48 a.m., suspects forced entry to Sun Enterprises, located at 8876 Pearl Street, City of Thornton, Adams County. Suspects removed three vehicles from that business: (1) a 2016 Honda CRF250R dirt bike, VIN JH2ME1033GK300124, valued at \$5,995; (2) a 2019 Honda Talon 1000x side by side utility vehicle, VIN 1HFVE0517K4002578, valued at \$19,999; and a 2020 Echo EUTV-10-13 trailer, VIN 5PSBA101XL105535B4, valued at \$2,500. A witness familiar with Havana Auto Parts observed their truck (Colorado license plate 506 XBY) in the area of 45th Avenue and Lincoln Street, City and County of Denver. The truck was subsequently recovered with fresh damage consistent with the previous collision at Fay Myers Motorcycle World.

Phone records revealed that Leday and Rocha-Chairez exchanged several phone calls and/or text messages between April 14 and April 22, 2020. Leday’s phone records also place him in the vicinity of 8790 Brighton Road, Adams County on April 15, 2020 after exchanging phone calls with Rocha-Chairez. Investigators also reviewed Facebook Messenger messages and other communications both prior to and following the burglaries at REI, Cars Remember When, Fay Myers Motorcycle World, and Sun Enterprises. Leday’s Facebook Messenger messages on April 14 and April 15, 2020 indicate that he was seeking a flathead screwdriver. This tool is consistent with damage to ignitions observed in the Mile High Youth Corp. passenger van, (license plate 407 NOS) upon recovery. Leday’s phone records also place his phone in the physical vicinity of 953 Decatur Street on April 15, 2020 at 12:31 a.m., *i.e.* the location of the theft of the Mile High Youth Corp. passenger van (license plate 407 NOS).

Facebook Messenger messages between Leday, Acosta-Larkin, Kane Valdez and other associates indicate that Leday and Acosta-Larkin were together on April 15 and April 16, 2020, and were responsible for the burglaries, thefts and motor vehicle thefts at REI, Cars Remember When, Fay Myers Motorcycle World, Havana Auto Parts, and Sun Enterprises. Additional

messages between Leday, Acosta-Larkin and other associates between April 16 and April 19, 2020 reference a “dirt bike,” a “side by side,” and a trailer. These communications include references to attempts by Leday and/or Acosta-Larkin to sell the vehicles, and are consistent with the earlier burglary at Sun Enterprises. Further, videos and photos shared via social media between and including April 17 and April 18, 2020 depict Leday and Gerald Garcia riding in a side by side utility vehicle consistent with a vehicle taken from Sun Enterprises. Messages from Leday at this time indicate that he is attempting to sell the UTV for \$1,500. (See Exhibit 14, Slides 79-105; Grand Jury Testimony, September 23, 2021, pages 100-28.)

Investigators determined that Salvador Mena-Barreno had a white 2009 Ford Econoline box truck (Colorado license plate AAC N78) registered in his name. Investigators further noted that this box truck had made multiple crossings at the United States/Mexico border between August 2019 and August 2020. The driver of the vehicle during these crossings was identified as Luis Saenz. Border records revealed that during this same time period, Saenz had crossed the border a total of 158 times in a vehicle, and 9 times on foot. During an interview with law enforcement in December 2020, Mena-Barreno stated that for employment he buys items locally and sells them at a flea market in El Paso, Texas. He further claimed that he frequently bought bicycles from online sources such as Craigslist, OfferUP and local flea markets, but denied buying bicycles from the same individuals regularly. Mena-Barreno described traveling to Texas once or twice a month to sell items, and once a week pre-Covid. Mena-Barreno also denied that his truck crosses the border south into Mexico. Mena-Barreno denied having significant sources of income other than selling items at the flea markets in Texas. (See Exhibit 9, Slides 1-11; Grand Jury Testimony March 11, 2021, pages 10-13, 21-23.)

Mena-Barreno’s bank records show large cash deposits made in El Paso, Texas, and cash withdrawals made in the Denver metro area coinciding with this burglary series. (See Exhibit 16, page 8; Grand Jury Transcript, September 30, 2021, pages 22-23.)

COUNT TWENTY FIVE

(Series 20, Redstone Cyclery)

VEHICULAR ELUDING, C.R.S. 18-9-116.5 [F5] 27162

On or about April 26, 2020, in the State of Colorado **Kevin Acosta-Larkin**, while operating a motor vehicle, unlawfully, feloniously, and knowingly eluded or attempted to elude Denver Police Department Officer T. Kaufmann, a peace officer also operating a motor vehicle, when the defendant knew or reasonably should have known that he was being pursued by the peace officer, and operated his vehicle in a reckless manner; in violation of section 18-9-116.5, C.R.S.

The offenses committed in Count through Count were committed in the following manner.

Between and including April 24 and April 25, 2020, a white 2006 Ford Econoline E350 passenger van, Colorado license plate 797 MPV, VIN 1FBNE31L26HA15356, valued at \$10,000 and belonging to Mile High Youth Corp., was stolen from 1801 N. Federal Boulevard, City and County of Denver. Significantly, this is the second Mile High Youth Corp. passenger van stolen from this location, and the third Mile High Youth Corp. van stolen overall, as described above.

On April 26, 2020, a white Ford passenger van with markings consistent with Mile High Youth Corp. was engaged in an eluding incident with Denver Police Department Officer T. Kaufmann. The eluding incident began in the area of N. Broadway St. and 14th Avenue, in the City and County of Denver. On that date at approximately 3:27 a.m., Officer Kaufmann observed the van run a red light at that intersection. Officer Kaufmann activated his emergency lights and sirens on his marked patrol vehicle in an attempt to contact the van. In response, the van fled, traveling in the westbound in eastbound lanes of travel. Officer Kaufmann terminated the pursuit for safety reasons and did not contact the vehicle.

Between and including April 25 and April 26, 2020, suspects forced entry in Redstone Cyclery, located at 355 Main Street, City of Lyons, Boulder County, by throwing a rock through a window causing approximately \$2,000 worth of property damage. Thereafter, the suspects removed five bicycles valued at \$29,800 total from the shop. Three of the bicycles stolen belonged to the shop and were valued \$15,800. One of the bicycles stolen belonged to customer Daniel Martinez and was valued at \$7,000. The final bicycle stolen belonged to customer Kris Harrison and was valued at \$7,000.

On or about April 27, 2020, law enforcement recovered the Mile High Youth Corp. passenger van (license plate 797 MPV) at 1827 North Grant Street, City and County of Denver. A review of surveillance video from the surrounding area indicated that the vehicle was parked in that location on or about April 26, 2020. Officer Kaufmann responded to the location and confirmed that it was the same vehicle involved in the eluding incident described above. Further, surveillance video obtained from the surrounding area at the time the vehicle was parked captured two individuals walking away from van at the time it was parked. Based on the appearance and clothing of the suspects as compared to previously obtained photographs and videos, the suspects were identified as Leday and Acosta-Larkin. Notably, Leday is wearing dark “Franklin” gloves consistent with the prior burglary at The Bikery described above. In addition, Leday appears to be carrying a large sum of cash. Upon recovery, the ignition of the van had been damaged and/or “punched” and the rear seat was missing. Officers processed the van for any items of evidentiary value, and recovered a cigarette butt, and a black glove. Subsequent forensic testing of the cigarette butt revealed a mixed DNA profile with a “moderate stringency match” consistent with the DNA profile of Kevin Acosta-Larkin.

Investigators reviewed Facebook Messenger messages and other communications before and after the Redstone Cyclery burglary between Maurice Leday, Kevin Acosta-Larkin, Gerald Garcia and other associates. These communications indicate that Leday and Acosta-Larkin planned and committed the Redstone Cyclery burglary. Phone records also show multiple

communications between Rocha-Chairez and Acosta-Larkin, and Rocha-Chairez and a phone belonging Kane Valdez both before and after this Redstone Cyclery burglary. Importantly, Leday had previously abandoned his phone, as described above. Phone records also show the physical location of Acosta-Larkin's phone moving from his known residence in Denver to North Boulder, near Highway 36, *i.e.* a main throughfare between Boulder and Lyons, and later returning to Denver, during the relevant time frame. Phone records also show the physical location of Rocha-Chairez's phone moving from this known residence to the location at 8790 Brighton Road, Adams County during the relevant time frame. Rocha-Chairez also exchanged communications with Salvador Mena-Barreno during this time frame. (*See Exhibit 14, Slides 115-131; Grand Jury Testimony September 23, 2021, pages 140-164.*)

Investigators determined that Salvador Mena-Barreno had a white 2009 Ford Econoline box truck (Colorado license plate AAC N78) registered in his name. Investigators further noted that this box truck had made multiple crossings at the United States/Mexico border between August 2019 and August 2020. The driver of the vehicle during these crossings was identified as Luis Saenz. Border records revealed that during this same time period, Saenz had crossed the border a total of 158 times in a vehicle, and 9 times on foot. During an interview with law enforcement in December 2020, Mena-Barreno stated that for employment he buys items locally and sells them at a flea market in El Paso, Texas. He further claimed that he frequently bought bicycles from online sources such as Craigslist, OfferUP and local flea markets, but denied buying bicycles from the same individuals regularly. Mena-Barreno described traveling to Texas once or twice a month to sell items, and once a week pre-Covid. Mena-Barreno also denied that his truck crosses the border south into Mexico. Mena-Barreno denied having significant sources of income other than selling items at the flea markets in Texas. (*See Exhibit 9, Slides 1-11; Grand Jury Testimony March 11, 2021, pages 10-13, 21-23.*)

Mena-Barreno's bank records show large cash deposits made in El Paso, Texas, and cash withdrawals made in the Denver metro area coinciding with this burglary series. (*See Exhibit 16, page 9-10; Grand Jury Transcript, September 30, 2021, pages 23-27.*)

SECOND DEGREE BURGLARY - BUILDING, C.R.S. 18-4-203(1) [F4] 06031

COUNT TWENTY SEVEN

(Series 21, Totally Wired)

THEFT - \$20,000 - \$100,000, C.R.S. 18-4-401(1),(2)(H) [F4] 08A15

Between and including April 30 to May 1, 2020, in the State of Colorado **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly, without authorization or by threat or deception,

obtained, retained, or exercised control over; or knowing or believing it to have been stolen, received, loaned money by pawn or pledge on, or disposed of, a thing of value, namely: bicycles of Totally Wired, with the value of twenty thousand dollars or more but less than one hundred thousand dollars, and intended to deprive Totally Wired permanently of their use or benefit; in violation of section 18-4-401(1)(a), (2)(h), C.R.S.

COUNT TWENTY EIGHT

(Series 21, Totally Wired)

AGGRAVATED MOTOR VEHICLE THEFT IN THE SECOND DEGREE - \$1,000-\$20,000,
C.R.S. 18-4-409(4)(B) [F6] 0804E

Between and including April 30 to May 1, 2020, in the State of Colorado, **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly obtained or exercised control over the motor vehicles of Murdoch's, without authorization or by threat or deception, and the value of the motor vehicle[s] was one thousand dollars or more but less than twenty thousand dollars; in violation of section 18-4-409(4)(b), C.R.S.

The offenses committed in Count Twenty One through Count Twenty Eight were committed in the following manner.

Between and including April 30 and May 1, 2020, suspects forcibly entered Totally Wired, located at 543 Zerex Street, Town of Fraser, Grand County, by breaking a deadbolt and prying a door open. Thereafter, suspects removed seven bicycles from the business valued at \$40,000. One of the bicycles stolen was an orange and black Scott brand mountain bicycle.

During the same time frame, suspects stole two 196cc dirt bikes from the sidewalk outside of the Murdoch's store, located at 541 Zerex Street, Town of Fraser, Grand County. That store is located within the same block as Totally Wired. The suspects stole the dirt bikes by cutting a cable lock that secured them to a post on the sidewalk outside the store. The dirt bikes were valued at \$550 and \$650 each. Surveillance video from the Murdoch's store on May 1, 2020 captured the suspect van and suspects involved in the Totally Wired burglary and Murdoch's theft. The video captures a dark blue or black van parking briefly at both stores, and two suspects engaged in the theft of the dirt bikes from Murdoch's. The suspect that exits the driver's side of the van is wearing light colored shoes, dark pant, a white face mask, gloves, and blue hooded sweatshirt consistent with the Champion sweatshirt worn by Leday around the time of the REI burglary described above.

On or about May 1, 2020, Town of Fraser police officers also located several passenger van seats consistent with late 2000s model Ford Econoline passenger vans near the Totally Wired and Murdoch's stores in the Town of Fraser. This behavior is consistent with Leday and Acosta-Larkin removing the seats of passenger vans prior to the burglary of the REI store described above.

Investigators reviewed Facebook Messenger messages and other communications before and after the Totally Wired burglary between Maurice Leday, Kevin Acosta-Larkin, Jared Brooks, Rocha-Chairez and other associates. These communications indicate that Leday and Acosta-Larkin committed the Totally Wired burglary and theft from Murdoch's, and Jared Brooks assisted with delivery of the stolen items to Rocha-Chairez. Phone records show that between and

including April 30 to May 1, 2020, the physical location of Acosta-Larkin's phone moved from his residence to the area of Winterpark, *i.e.* in the vicinity of the Town of Fraser. In addition, investigators obtained geofence data for area of the Totally Wired and Murdoch's stores for a limited period of time during the early morning hours of May 1, 2020, and confirmed that Acosta-Larkin's cell phone was identified as being in the designated area during that time. Also, following the burglary, the location of Rocha-Chairez's phone moved to the 8790 Brighton Road location, and he exchanged calls with Mena-Barreno. Thereafter, phone records, Facebook Messenger messages, and other communications indicate that Leday received payment from Rocha-Chairez on or about May 5, 2020, and Rocha-Chairez and Mena-Barreno also communicated around this time. (*See Exhibit 17, Slides 1-17; Grand Jury Testimony, October 7, 2021, pages 1-20.*)

Investigators determined that Salvador Mena-Barreno had a white 2009 Ford Econoline box truck (Colorado license plate AAC N78) registered in his name. Investigators further noted that this box truck had made multiple crossings at the United States/Mexico border between August 2019 and August 2020. The driver of the vehicle during these crossings was identified as Luis Saenz. Border records revealed that during this same time period, Saenz had crossed the border a total of 158 times in a vehicle, and 9 times on foot. During an interview with law enforcement in December 2020, Mena-Barreno stated that for employment he buys items locally and sells them at a flea market in El Paso, Texas. He further claimed that he frequently bought bicycles from online sources such as Craigslist, OfferUP and local flea markets, but denied buying bicycles from the same individuals regularly. Mena-Barreno described traveling to Texas once or twice a month to sell items, and once a week pre-Covid. Mena-Barreno also denied that his truck crosses the border south into Mexico. Mena-Barreno denied having significant sources of income other than selling items at the flea markets in Texas. Santa Fe Drive, Arapahoe County, with the intent to commit therein the crime of Theft; in violation of section 18-4-203(1), C.R.S.

COUNT THIRTY

(Series 22, Giant Cycling World)

THEFT - \$5,000 - \$20,000, C.R.S. 18-4-401(1),(2)(G) [F5] 08A14

On or about May 7, 2020, in the State of Colorado **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly, without authorization or by threat or deception, obtained, retained, or exercised control over; or knowing or believing it to have been stolen, received, loaned money by pawn or pledge on, or disposed of, a thing of value, namely: bicycles and other merchandise of Giant Cycling World with the value of five thousand dollars or more but less than twenty thousand

dollars, and intended to deprive Giant Cycling World permanently of their use or benefit; in violation of section 18-4-401(1)(a), (2)(h), C.R.S.

The offenses committed in Count Twenty Nine through Count Thirty were committed in the following manner.

On May 7, 2020, suspects forced entry into the Giant Cycling World store, located at 7301 S. Santa Fe Drive, City of Littleton, Arapahoe County by removing plywood that had been used to secure windows broken during prior burglaries. Notably, this location had been previously burglarized on or about December 19, 2019 and March 24, 2020 by the same group, as described above. Surveillance video from the business showed the suspects arriving at the location in a white Ford Econoline passenger van with an unidentified license plate. The suspects then removed bench seats from the van and abandoned them in the parking lot. As a result of the prior burglaries, many of the bicycles in the store were better secured; however, the suspects were able to remove bicycles valued at \$8,700.

Investigators reviewed Facebook Messenger messages and other communications before and after Giant Cycling World burglary between Maurice Leday, Kevin Acosta-Larkin, Gregory Melina, Adrian Rocha-Chairez, Salvador Mena-Barreno, and other associates. These communications indicate that Leday and Acosta-Larkin committed this burglary. The store surveillance video also showed two suspects enter the store who had consistent appearances and clothing with known photographs and social media images of Leday and Acosta-Larkin. Phone records also placed the physical location of Acosta-Larkin's phone in the vicinity of the burglary in the early morning hours of May 7, 2020. Phone records showed Rocha-Chairez's phone's location as moving from his residence to the 8790 Brighton Road location, and then to the vicinity of Mena-Barreno's known residence in the hours after the burglary. (*See Exhibit 17, Slides 17-31; Grand Jury Testimony October 7, 2021, pages 20-31.*)

Investigators determined that Salvador Mena-Barreno had a white 2009 Ford Econoline box truck (Colorado license plate AAC N78) registered in his name. Investigators further noted that this box truck had made multiple crossings at the United States/Mexico border between August 2019 and August 2020. The driver of the vehicle during these crossings was identified as Luis Saenz. Border records revealed that during this same time period, Saenz had crossed the border a total of 158 times in a vehicle, and 9 times on foot. He further claimed that he frequently bought bicycles from online sources such as Craigslist, OfferUP and local flea markets, but denied buying bicycles from the same individuals regularly. Mena-Barreno described traveling to Texas once or twice a month to sell items, and once a week pre-Covid. Mena-Barreno also denied that his truck crosses the border south into Mexico. Mena-Barreno denied having significant sources of income other than selling items at the flea markets in Texas. COUNT THIRTY SEVEN

(Series 24, U-Haul Store, Giant Cycling World, Guerilla Gear Bicycles)
CRIMINAL MISCHIEF - \$1,000 - \$5,000, C.R.S. 18-4-501(1),(4)(D) [F6] 0901J

On or about May 26, 2020, in the State of Colorado, **Kevin Acosta-Larkin**, in the course of a single criminal episode, unlawfully, feloniously, and knowingly damaged the real or personal property of Guerilla Gear Cycles, the aggregate damage being one thousand dollars or more but less than five thousand dollars; in violation of section 18-4-501(1),(4)(d), C.R.S.

The offenses committed in Count Thirty One through Count Thirty Seven were committed in the following manner.

On or about May 21, 2020, suspects forced entry into the U-Haul Store located at 2000 W. Colfax, City and County of Denver, by breaking a window. Thereafter, the suspects removed a set of vehicle keys from behind the counter that belonged to a U-Haul truck in the adjacent parking lot. The suspects then entered and drove away the U-Haul truck from that parking lot, a white 2020 Chevrolet Silverado pickup truck, Arizona license plate AJ97260, VIN 3GCNWAEF3LG229862, valued at \$30,000.00. Surveillance video from inside the U-Haul store captured two suspects entering the store, consistent in appearance and clothing with prior images of Leday and Acosta-Larkin.

On or about May 21, 2020, suspects arrived at the Giant Cycling World, located at 7301 S. Santa Fe Drive, City of Littleton, Arapahoe County, in a white Chevrolet pickup truck with U-Haul logos. While a surveillance video from the business captured the arrival of the vehicle, no license plate was visible. The suspects then used bolt cutters to enter to break the front glass door to the store, causing approximately \$3,000 worth of damage. Importantly, this location had previously been burglarized on December 19, 2019, March 24, 2020, and May 7, 2020, as described above. The suspects then removed three bicycles from the store, valued at \$7,165. The clothing of the suspects inside of the Giant Cycling World was consistent with clothing of the suspects inside of the U-Haul Store on Colfax as seen on surveillance video from the businesses, and the two burglaries occurred a little over an hour apart. Around the time of this Giant Cycling World burglary, a witness at The Bikery bicycle shop, located at 2994 Brewery Lane, City of Littleton (the site of a prior burglary as described above), reported that a white pickup truck with an orange strip pulled into the shop's parking lot, turned around, and left. The description of this vehicle is consistent with the truck stolen from the U-Haul store earlier that morning.

On or about May 26, 2020, suspects attempted to forced entry into the Guerilla Gear Bicycles shop, located at 2301 N. Bryant Street, City and County of Denver, by ramming a vehicle into a garage style door and causing \$2,500 worth of property damage. Ultimately, no items, bicycles or other merchandise were removed from the store. Surveillance video from the area captured a suspect vehicle consistent in appearance with the U-Haul pickup truck stolen on May 21, 2020. Officers recovered the U-Haul pickup truck (Arizona license plate AJ97260) on or about June 1, 2020 in the 2700 block of W. Ellsworth (Archer Alley), in the City and County of Denver. At the time of recovery, officers noted broken glass in the back of the truck bed, as well as within the passenger compartment.

Investigators reviewed Facebook Messenger messages and other communications before and after the U-Haul Store, Giant Cycling World, and Guerilla Gear burglaries between Kevin Acosta-Larkin, Adrian Rocha-Chairez, Salvador Mena-Barreno, and other associates. Phone records show that after the burglaries on May 21, 2020, Rocha-Chairez's phone moved from his residence to the vicinity of Acosta-Larkin's residence, and then moved to the vicinity of Mena-Barreno's residence. (See Exhibit 17, Slides 38-59; Grand Jury Testimony, October 7, 2021, pages 37-57.)

Investigators determined that Salvador Mena-Barreno had a white 2009 Ford Econoline box truck (Colorado license plate AAC N78) registered in his name. Investigators further noted that this box truck had made multiple crossings at the United States/Mexico border between August 2019 and August 2020. The driver of the vehicle during these crossings was identified as Luis Saenz. Border records revealed that during this same time period, Saenz had crossed the border a total of 158 times in a vehicle, and 9 times on foot. During an interview with law enforcement in December 2020, Mena-Barreno stated that for employment he buys items locally and sells them at a flea market in El Paso, Texas. He further claimed that he frequently bought bicycles from online sources such as Craigslist, OfferUP and local flea markets, but denied buying bicycles from the same individuals regularly. Mena-Barreno described traveling to Texas once or twice a month to sell items, and once a week pre-Covid. Mena-Barreno also denied that his truck crosses the border south into Mexico. Mena-Barreno denied having significant sources of income

other that selling items at the flea markets in Texas. (See Exhibit 9, Slides 1-11; Grand Jury Testimony March 11, 2021, pages 10-13, 21-23.)

Mena-Barreno's bank records show large cash deposits made in El Paso, Texas, and cash withdrawals made in the Denver metro area coinciding with this burglary series. (See Exhibit 16, page 11-13; Grand Jury Transcript, September 30, 2021, pages 28-39.)

(Series 25, Redstone Cyclery)

AGGRAVATED MOTOR VEHICLE THEFT IN THE FIRST DEGREE, C.R.S. 18-4-409(2),(3)(A) [F4] 0804G

On or about June 4, 2020, in the State of Colorado, **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly obtained or exercised control over the motor vehicle of My Kids Lunch, without authorization, or by threat or deception, and used the motor vehicle in the commission of the crimes of Burglary and Theft as set forth in sections 18-4-203 and 18-4-401, C.R.S., and the value of the motor vehicle was less than twenty thousand dollars; in violation of section 18-4-409(2),(3)(a), C.R.S.

COUNT THIRTY NINE

(Series 25, Redstone Cyclery)

SECOND DEGREE BURGLARY - BUILDING, C.R.S. 18-4-203(1) [F4] 06031

On or about June 4, 2020, in the State of Colorado **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly broke an entrance into, entered, or remained unlawfully after a lawful or unlawful entry in the building or occupied structure of Redstone Cyclery, located at 355 Main Street, City of Lyons, Boulder County, with the intent to commit therein the crime of Theft; in violation of section 18-4-401, C.R.S.

COUNT FORTY

(Series 25, Redstone Cyclery)

THEFT - \$20,000 - \$100,000, C.R.S. 18-4-401(1),(2)(H) [F4] 08A15

On or about June 4, 2020, in the State of Colorado **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly, without authorization or by threat or deception, obtained, retained, or exercised control over; or knowing or believing it to have been stolen, received, loaned money by pawn or pledge on, or disposed of, a thing of value, namely: bicycles of Redstone Cyclery, with the value of twenty thousand dollars or more but less than one hundred thousand dollars, and intended to deprive Redstone Cyclery permanently of their use or benefit; in violation of section 18-4-401(1)(a), (2)(h), C.R.S.

The offenses committed in Count Thirty Eight through Count Forty were committed in the following manner.

On or about June 4, 2020, a white 2006 Ford Econoline van, Colorado license plate 782 YTT, VIN 1FTSE34L26HB34311, valued at \$5,000 and belonging to My Kids Lunch was stolen

from its last known location at 5602 Kendall Court, City of Arvada, Jefferson County. Prior to this motor vehicle theft, investigators had requested authorization to obtain real time cellphone “ping” records for Kevin Acosta-Larkin. Investigators began receiving records on June 3, 2020. These records show that Kevin Acosta-Larkin’s phone was in the vicinity of this stolen vehicle at a time consistent with the theft.

On or about June 4, 2020 at 4:41 a.m., suspects forced entry into Redstone Cyclery, located at 355 Main Street, City of Lyons, Boulder County, by using a rock to break a window of the business. Significantly, this is second time that this business has been burglarized as described above. Surveillance video from the business reflected three suspects involved in the burglary. The suspect vehicle involved in the burglary appeared to be a white Ford Econoline van with a logo similar to that of “My Kids Lunch,” consistent with the van stolen earlier in Arvada. Thereafter, the suspects removed seven bicycles from the business valued at \$26,500. Ping records show that Acosta-Larkin’s phone was in the vicinity of the Redstone Cyclery at the time of the burglary. In addition, investigators determined that the My Kids Lunch van (license plate 782 YTT) passed by a stationary license plate reader located on 28th Street, just south of Arapahoe Road, in the City of Boulder, on June 4, 2020 at approximately 4:22 a.m. This is consistent with the vehicle being present at the Redstone Cyclery at the time of the later burglary.

On or about June 4, 2020, at 11:36 a.m., officers located the My Kids Lunch van abandoned and running at 8391 Quebec Street, City of Commerce City. Importantly, the vehicle was noted as having been left parked and running at that location for “several hours.” Responding officers noted damage to the driver’s side door lock and ignition. This recovery location is near 8790 Brighton Road, Adams County. Ping records show that Kevin Acosta-Larkin’s phone was in the vicinity of the Brighton Road location in the hour following the burglary at Redstone Cyclery.

Investigators reviewed Facebook Messenger messages and other communications before and after the Redstone Cyclery burglary between Maurice Leday, Kevin Acosta-Larkin, Adrian Rocha-Chairez, Salvador Mena-Barreno, and other associates. Phone records also indicate that in the early morning hours of June 4, 2020, Rocha-Chairez’s phone moved from his residence to near the 8790 Brighton Road location. In addition, after moving to that location, Rocha-Chairez began communicating with Mena-Barreno. Additional ping data of Acosta-Larkin’s phone compared with Leday’s Facebook Messenger messages show that they were together at the time that this series of offense commenced. (*See Exhibit 17, Slides 60-76; Grand Jury Testimony October 7, 2021, pages 57-82.*)

Investigators determined that Salvador Mena-Barreno had a white 2009 Ford Econoline box truck (Colorado license plate AAC N78) registered in his name. Investigators further noted that this box truck had made multiple crossings at the United States/Mexico border between August 2019 and August 2020. The driver of the vehicle during these crossings was identified as Luis Saenz. Border records revealed that during this same time period, Saenz had crossed the border a total of 158 times in a vehicle, and 9 times on foot. During an interview with law enforcement in December 2020, Mena-Barreno stated that for employment he buys items locally and sells them at a flea market in El Paso, Texas. He further claimed that he frequently bought bicycles from online sources such as Craigslist, OfferUP and local flea markets, but denied buying bicycles from the same individuals regularly. Mena-Barreno described traveling to Texas once or

twice a month to sell items, and once a week pre-Covid. Mena-Barreno also denied that his truck crosses the border south into Mexico. Mena-Barreno denied having significant sources of income other than selling items at the flea markets in Texas. (See Exhibit 9, Slides 1-11; Grand Jury Testimony March 11, 2021, pages 10-13, 21-23.)

Mena-Barreno's bank records show large cash deposits made in El Paso, Texas, and cash withdrawals made in the Denver metro area coinciding with this burglary series. (See Exhibit 16, page 11-13; Grand Jury Transcript, September 30, 2021, pages 28-39.)

On or about June 10, 2020, in the State of Colorado **Kevin Acosta-Larkin** unlawfully, feloniously, and knowingly, without authorization or by threat or deception, obtained, retained, or exercised control over; or knowing or believing it to have been stolen, received, loaned money by pawn or pledge on, or disposed of, a thing of value, namely: bicycles of Alpha Bicycles, Corey Robinson, and Sean Flynn, with the value of twenty thousand dollars or more but less than one hundred thousand dollars, and intended to deprive Alpha Bicycles, Corey Robinson, and Sean Flynn permanently of their use or benefit; in violation of section 18-4-401(1)(a), (2)(h), C.R.S.

The offenses committed in Count Forty One through Count Forty Four were committed in the following manner.

On or about June 10, 2020, suspects forced entry into Alpha Bicycles store, located at 8006 E. Arapahoe Road #150, City of Centennial, Unincorporated Arapahoe County, by breaking the front window. Thereafter, the suspects removed three bicycles worth \$7,298.

That same day, suspects forced entry into Alpha Bicycles store, located at 10125 San Juan Way, City of Littleton, Unincorporated Jefferson County, by breaking a window. Thereafter, the suspects removed five bicycles belonging to the business valued at \$16,600, one bicycle owned by customer Corey Robinson valued at \$7,500, and one bicycle owned by customer Sean Flynn valued at \$4,000. Surveillance video in the area identified a suspect vehicle as an unidentified van with three suspects.

Investigators reviewed Facebook Messenger messages and other communications before and after the Alpha Bicycles burglaries between Maurice Leday, Gregory Melina, Gerald Garcia, Kevin Acosta-Larkin, Gabriel Flood, Adrian Rocha-Chairez, Salvador Mena-Barreno, and other associates. The content and context of these messages indicate that Leday, Acosta-Larkin, and Flood planned and committed the Alpha Bicycles burglaries. Further, ping cellphone records show he was in the vicinity of both Alpha Bicycles stores in the early morning hours of June 10, 2020 consistent with the times of the burglaries.
