D. INTEREST

1. Accrual – Beginning on the Disbursement Date, interest on this Note will accrue at the Fixed Rate, indicated on the Final Disclosure, on the Principal until all amounts are paid in full. Interest will be calculated on a daily simple interest basis, according to the outstanding Principal balance each day during the term of the Loan. The daily interest rate will be equal to the annual interest rate in effect on that day, divided by the actual number of days in that calendar year.

2. Capitalized Interest– Notwithstanding any provision of section D.1, I agree that you may at your option, add ("capitalize") all accrued and unpaid interest to the Principal at the end of my Grace Period, and at the end of any authorized

Loan Amount. Since interest accrues on the outstanding principal balance, capitalizing increases the total costs of the loan. In addition, to the extent permitted by applicable law, if I am in default on my Loan, you may, at your option, add all accrued and unpaid interest and any unpaid late charges to the Principal balance of my Loan upon such default. Thereafter, interest will continue to accrue on the new Principal balance.

3. Interest Rates - My interest rate will be fixed for the life of the loan.

E. DISBURSEMENT OF FUNDS

1. I authorize you at your option, to disburse Loan funds in whole or part (a) electronically to the School, or (b) by check made jointly payable to me and the School that is mailed to the school. I understand that disbursements to the School may be made in stages, as tuition and other costs become due and payable.

F. TERMS OF REPAYMENT

1. Fully Deferred Payment Option –

(a). If I elect the Fully Deferred Payment Option, after the Disbursement Date, you will send me a notification of how I can access my Loan information (showing the Loan Amount and the interest that has accrued on my Loan). I may make, but am not required to make, payments during the Interim Period. You will add my interest that I do not pay during the Interim Period to the principal balance, as described in Paragraph D.2.

(b). Repayment Period – The Repayment term will begin when the Interim Period ends. During the Repayment Period, you will send me monthly statements electronically or by mail (showing the Loan Amount and the amount of my monthly payment that is due). I will make monthly payments in the amounts requested and no later than the payment due dates shown on my billing statements until I have paid all of the Principal and interest and any other charges I may owe on my Loan.

(c). Repayment Terms - My monthly payment will be established when my Repayment Period begins based on the rules of this Note. The amounts shown on my monthly statements will be consecutive monthly installments of Principal and interest in approximately equal installments at the Fixed Interest Rate on my Loan over the number of months remaining in the Repayment Period.

(b) Forbearance. You may grant me a forbearance if I am temporarily unable to make my scheduled loan payments for reasons including, but not limited to: financial hardship, illness, natural disaster, if I am called to active duty in the U.S. Armed Forces, or other reasons as determined by you.

Under certain circumstances, you may also grant me forbearance without requiring me to submit a request or documentation.

These circumstances include, but are not limited to, the following: periods necessary for you to determine my eligibility for a loan discharge, a period of up to 60 days in order for you to collect and process documentation related to my request for a deferment, forbearance, change in repayment plan, or consolidation loan (interest is not capitalized during this period), periods when I am involved in a military mobilization, a local or national emergency, or other reasons as determined by you.

2. During any period of deferment or forbearance, regularly scheduled payments of principal and interest on my Loan may be postponed. I understand that I will remain responsible for all interest accruing during any period of deferment or forbearance and that you may add any interest that I do not pay during any deferment or forbearance period to the principal balance as described in Paragraph D.2. I understand that my Repayment Period as defined in Paragraph C.14 is inclusive of any forbearance periods unless prohibited by applicable law.

3. Loan Discharge Provisions. You will discharge (forgive) my Loan if (a) I die (while enrolled, at least half-time, at an eligible school) and you receive acceptable documentation of my death consisting of a certified copy of my death certificate or other documentation acceptable to you; provided that if someone co-signs my Loan then the consent of such co-signer is necessary for you to discharge my Loan; or (b) if I become totally and permanently disabled ("TPD") as defined below. I. COLLECTION COSTS

The Collection Costs that I agree to pay may also include fees and costs incurred in connection with any appellate or bankruptcy proceedings.

J. DEFAULT

To the extent permitted by applicable law, I will be in default and you have the right to cancel any scheduled Loan disbursement not yet made and to give me notice that the whole outstanding principal balance, accrued interest, and all other amounts payable to you under this Note, are due and payable at once (subject to any applicable law which may give me a right to cure my default) if:

- (a) I fail to make any monthly payment to you within thirty days of its due date; or
- (b) I fail to notify you in writing, phone call or email of a change in my name, address, telephone number, or school enrollment status within 30 days after such change occurs; or
- (c) I become the subject of proceedings under the United States Bankruptcy Code or assign my assets for the benefit of my creditors;

11. I agree not to raise the use of a facsimile machine, electronic transmission in portable document format, or electronic signature and submission to deliver a signature or the fact that any signature was transmitted or communicated through the use of facsimile machine, electronic transmission in portable document format, or electronic signature and submission as a defense to enforceability of this Agreement, and, if I am not a covered borrower under the Military Lending Act, I forever waive any such defense.

12. All payments on my Loan will be made in United States dollars, and if paid by check or draft, drawn upon a financial institution located in the United States. My obligation to make any monthly payments in accordance with Section F.1 is not affected by any withholding taxes required to be paid under any foreign law, and notwithstanding any such law that requires withholding taxes on my payments under my Loan, I agree to make all required payments under this Loan to you or any subsequent holder.

(the "FAA") before the American Arbitration Association (AAA) under its Commercial Arbitration Rules including the Supplementary Procedures for Consumer Related Disputes, at the time the arbitration is brought, or before any other party that you and I agree to in writing, provided that such party must not have in place a formal or informal policy that is inconsistent and purports to override the terms of this Arbitration Agreement. The AAA Rules are available online at www.adr.org. 5. IMPORTANT WAIVERS: IF EITHER YOU OR I CHOOSE ARBITRATION, NEITHER PARTY WILL HAVE THE RIGHT TO A JURY TRIAL, TO ENGAGE IN DISCOVERY, EXCEPT AS PROVIDED IN THE

In addition, the arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted in that party's individual claim. Upon the timely request of either party, the arbitrator shall write a brief explanation of the basis of his or her award. If the arbitrator determines that any claim or defense is frivolous or wrongfully intended to oppress the other party, the arbitrator may award sanctions in the form of fees and expenses reasonably incurred by the other party (including arbitration administration fees, arbitrator's fees, and attorney, expert and witness fees), to the extent such fees and expenses

D. INTEREST

1. **Accrual** – Beginning on the Disbursement Date, interest on this Note will accrue at the Variable Rate, indicated on the Final Disclosure, on the Principal until all amounts are paid in full. Interest will be calculated on a daily simple interest basis, according to the outstanding Principal balance each day during the term of the Loan. The daily interest rate will be equal to the annual interest rate in effect on that day, divided by the actual number of days in that calendar year.
2. **Capitalized Interest**– Notwithstanding any provision of section D.1, I agree that you may at your option, add

shall be subject to the same interest accrual as the original Loan Amount. Since interest accrues on the outstanding principal balance, capitalizing increases the total costs of the loan. In addition, to the extent permitted by applicable law, if I am in default on my Loan, you may, at your option, add all accrued and unpaid interest and any unpaid late charges to the Principal balance of my Loan upon such default. Thereafter, interest will continue to accrue on the new Principal balance.

3. **Interest Rates** - My variable interest rate will be comprised of an index (one- month LIBOR, rounded up to the nearest 1/8th of a percent) plus a margin of . The rate will reset every quarter, based on the reported one-month LIBOR found in the Wall Street Journal on the 15th day of the last month of the previous quarter (or preceding day closest to the 15th, if the 15th falls on a weekend or holiday). My interest rate will never exceed

E. DISBURSEMENT OF FUNDS

I understand that disbursements to the School may be made in stages, as tuition and other costs become due and payable.

F. TERMS OF REPAYMENT**1. Fully Deferred Payment Option –**

I may make, but am not required to make, payments during the Interim Period. You will add my interest that I do not pay during the Interim Period to the principal balance, as described in Paragraph D.2.

(b). **Repayment Period** – The Repayment term will begin when the Interim Period ends. During the Repayment Period, you will send me monthly statements electronically or by mail (showing the Loan Amount and the amount of my monthly payment that is due). school on at least a half-time basis if (1) I submit documentation of my eligibility for the deferment, or (2) you receive other credible information from a third party that I am enrolled at least half-time at an eligible school. If you grant me a deferment based on information you obtain from a third party, you will notify me of the deferment and I will have the option of canceling the deferment and continuing to make payments on the loan. I understand that if I obtain a deferment for returning to an eligible school on at least half time basis after my Repayment Period begins, I still will be required to make monthly interest payments for the period during which I am re-enrolled. Any deferment period is limited to a maximum of 40 months, inclusive of the Interim Period.

(b) Forbearance. You may grant me a forbearance if I am temporarily unable to make my scheduled loan payments for reasons including, but not limited to: financial hardship, illness, natural disaster, if I am called to active duty in the U.S. Armed Forces, or other reasons as determined by you.

Under certain circumstances, you may also grant me forbearance without requiring me to submit a request or documentation. 4. Payment Due Despite Withdrawal from School, Dissatisfaction. I understand that I have to repay this Loan in full, even if I withdraw or am dismissed from the School without graduating or completion, even if such failure is caused by the School ceasing to provide education services. I understand that I must repay this Loan even if I am unable to obtain employment, or I am dissatisfied with the educational program provided by the School.

I. COLLECTION COSTS

Unless prohibited by applicable law, I agree to pay you all amounts, including reasonable attorneys' fees, collection agency fees, court costs, and any other collection costs that you incur in collecting or enforcing the terms of my Loan (collectively, "Collection Costs") to the extent permitted by applicable law.
