

Domestic Violence RFA Questions

1. I am unable to access the dropdown box in Excel budget template for "Applicant Type" to enter non-profit.

Can you please advise as to how I can access it?

State Response: You only need to identify if you are a non-profit or a governmental entity.

2. What is the indirect cost rate/administrative overhead policy for RFA LAAA 2023-05, Domestic Violence Prevention Grant?

State Response: The Colorado Department of Law grants must have indirect costs at 10% or less without prior written approval from the Department.

3. Are indirect costs part of the total allowed budget amounts in Section 1C of the announcement?

State Response: Yes, indirect costs should be identified in your proposed budgets and should be included in the total budget.
