IMPORTANT LEGAL INFORMATION

Definitions

Sales Finance companies that regularly collect consumer credit contracts must annually file notification and pay the appropriate fee. You are required to file and pay the appropriate fees, including volume fees if you take assignment of or purchase Colorado consumer credit sales or leases and directly collect payment from or enforce rights against debtors arising from these consumer credit transactions. See sections 5-6-201, 202, and 203, C.R.S.

A consumer credit sale or lease contract is entered into by you, the seller, and a buyer who is an individual person(s) other than an organization. These consumer sale contracts are primarily for personal, family, or household purpose and do not exceed \$75,000. The debt is created by written agreement, payable in five or more installments and involves a finance charge and/or interest. See section 5-1-301(11), C.R.S.

Failure to File

If you are required to file notification and fail to do so, consumers have no legal obligation to pay any of the finance charges due under the credit transactions. See section 5-6-203(4), C.R.S.

Due Diligence

On credit sale contracts originated by retail credit sellers who are required to file UCCC notification, but have not done so, consumers may not have an obligation to pay the finance charge due on those consumer credit transactions. See section 5-6-203(4), C.R.S.

In such circumstances, this may result in you being required to re-apply all payments, so the consumer is not assessed any finance charges and issue refunds to the consumers of any resulting credit balance.

It is strongly recommended that you develop and implement a method of due diligence to ensure that the consumer credit transactions you purchase, acquire, or otherwise take assignment of are

originated by retail credit sellers who have filed proper notification required. For a list of active Retail Sellers, refer to the [UCCC website](#).

Examination of Records

The administrator is entitled to examine the loans, business, and records of such person(“creditor”) without issuance of a subpoena. See section 5-6-203, C.R.S.

Supervised Loans

Please note that if you make or take assignment of supervised loans (direct consumer loans in excess of 12 percent APR), you must obtain a supervised lender license. The Supervised Lender application is available on the UCCC Licensing website. See section 5-2-301, C.R.S.

Compliance with Applicable Laws

All consumer lenders must comply with the Colorado UCCC and the federal Truth in Lending Act and Regulation Z. Some of the regulatory provisions of the UCCC include disclosure of the cost of credit (annual percentage rate, amount financed, total number of payments, etc.) and compliance with the provisions on default including right to cure, delinquency charges, deferral, refinancing, prohibitions on repayment penalties, and record retention requirements. You are advised to contact an attorney to ensure you are following all legal requirements. The Truth in Lending Act and Regulation Z can be found on the [Federal Trade Commission’s website](#). The Uniform Consumer Credit Code is available on the [UCCC Licensing website](#).
