RE: Assurance of Discontinuance In the Matter of Towing Holdings LLC

Dear <<Name1>><<Name2>>:

In 2023, the Colorado Attorney General's Office secured a \$1 million settlement agreement to resolve an investigation into Towing Holdings, LLC, d/b/a Wyatts Towing, Boulder Valley Towing, Klaus' Towing, Lone Star Towing, Summit Vehicle Solutions, and Towing Operations, LLC (collectively, "Wyatts") pursuant to the Attorney General's powers under Col. Rev. Stat. § 6-1-110(2). The State alleged that Wyatts violated the Colorado Consumer Protection Act ("CCPA") by towing cars with no valid permit or proper authorization, charging unlawful fees and unlawfully retaining certain funds, and seeking to deter consumers from exercising their rights under Colorado towing laws.

You are receiving a portion of this settlement as restitution from the payments made by Wyatts to the Colorado Attorney General's Office. Your portion of these settlements are enclosed with this letter.

Our office has contracted Rust Consulting to distribute the restitution payments on our behalf. Should you have any questions regarding this matter, please contact the Colorado Department of Law's Consumer Fraud Unit at (720) 508-6000. For more information about the settlement, please visit [coag.gov/wyatts](http://coag.gov/wyatts). Para información en español, visita [coag.gov/wyatts](http://coag.gov/wyatts).

Sincerely,

PHIL WEISER  
Attorney General

Commented [EG1]: Weird formatting here

Commented [BA2R1]: This happened with the last one I worked on and for some reason only Rust appeared able to fix it.
