- School Safety Concern: Staff - 300
- Suicide - 295
- Bullying - 281

Common Outcomes

Outcome	Count
Parents Notified	1269
Counseling	645
Welfare Check	386

The information presented in this report is based on preliminary data provided by the Colorado Information Analysis Center, which processes Safe2Tell reports.
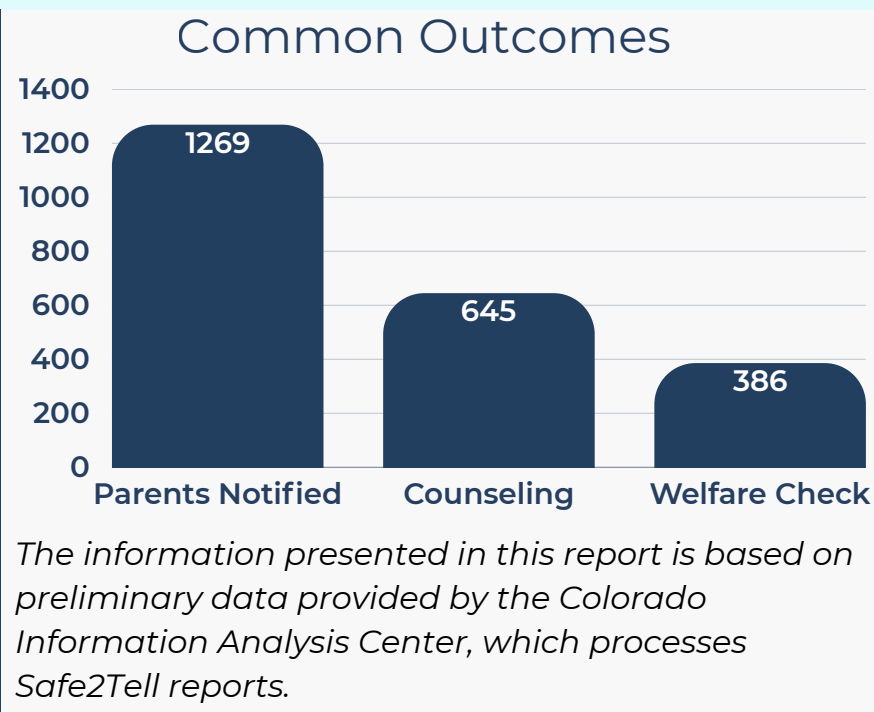

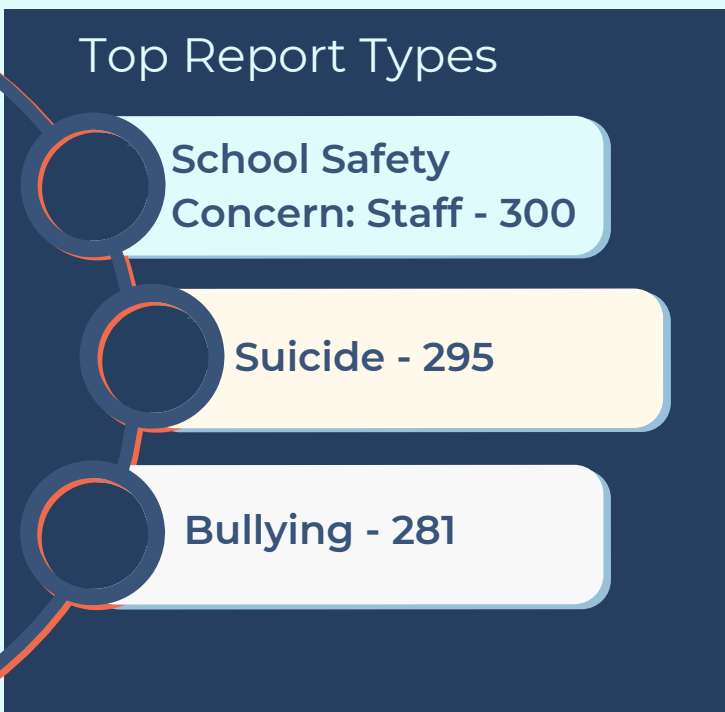

OCTOBER REPORT TYPES

- **11.6%** self reports
- **15.3%** 2-way dialogue
- **2.6%** social media involved

Report Example

A report was made about a student who was vaping, missing class, and possibly self-harming. School staff investigated, spoke with the student and their parent, and connected the student with the school counselor. The student is also receiving outside support.

**11.5%** of reports included attachments like a screenshot, photo, or video.
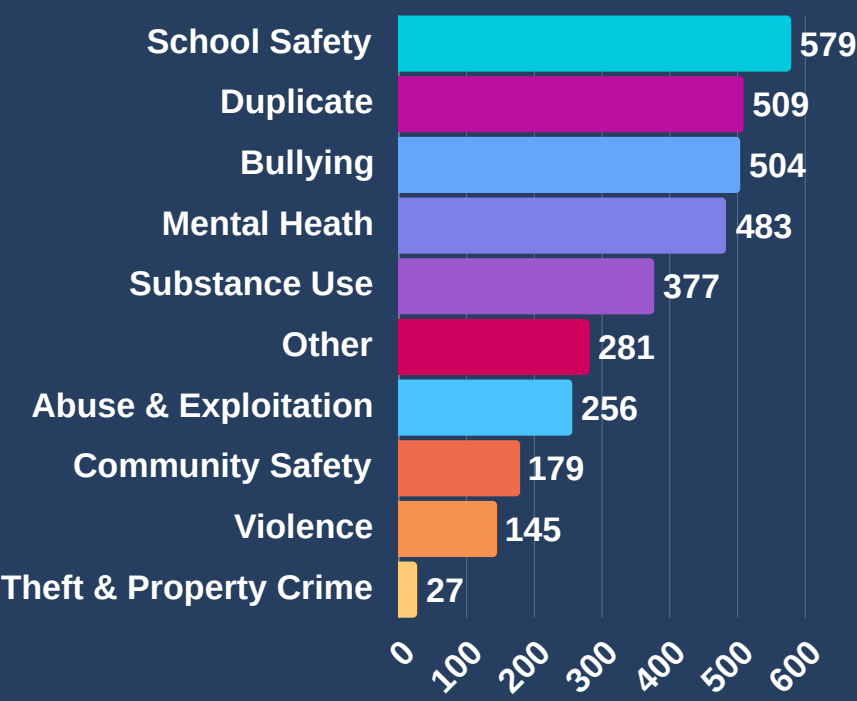

Duplicate Reports this SY — 18.6%

1,671 duplicate reports have been reported during the current school year.

Valid reports during this SY — 97.7%

97.7% of reports received during the 25-26 school year, which began 8/1/25, were determined to be valid. Misuse reports were 0.9%, and false reports were 1.4%

October Reporting Themes

Theme	Count
School Safety	579
Duplicate	509
Bullying	504
Mental Heath	483
Substance Use	377
Other	281
Abuse & Exploitation	256
Community Safety	179
Violence	145
Theft & Property Crime	27

Report Example

A report was made about a student potentially using alcohol and other substances in and outside of school. School staff investigated, searched the student's backpack, and found an empty flask. The student admitted to past substance use but stated they no longer engage in it. Parents were contacted and confirmed the student is in therapy. The student was offered additional addiction support through school counseling, and staff will continue to monitor them.

The information presented in this report is based on preliminary data and is subject to change. A routine audit is scheduled as part of our ongoing commitment to maintaining high standards of data integrity and transparency.
