VI. RELEASE

28. Subject to Paragraph 29 below, in consideration of the monetary and non-monetary relief described in Section IV, including the Final Suspended Settlement Amount, and the undertakings to which the Defendants have agreed in the Class Action settlement agreement and the US-CA Consent Decree, and upon the Defendants' payment of the amount contemplated in Paragraph 10:

a. Except as provided in Paragraph 29 below, the Attorney General, and any other State official, State department, or State agency, acting on behalf of the State, to the extent the Attorney General has the power and authority under Colorado law to release claims of that person or entity as to the claim at issue, releases the Defendants, their Affiliates and any of the Defendants' or their Affiliates' former, present or future owners, shareholders, directors, officers, employees, attorneys, parent companies, subsidiaries, predecessors, successors, dealers, agents, assigns and representatives (collectively, the "Released Parties"), from all further UDAP Claims arising from or related to the Covered Conduct, including without limitation (i) restitution or other monetary payments or injunctive relief to consumers; and (ii) penalties, fines, restitution or other monetary payments or injunctive relief to the Attorney General or any other State official, State department, or State agency, acting on behalf of the State, to the extent the Attorney General has the power and authority under Colorado law to release claims of that person or entity as to the claim at issue.

b. Except as provided in Paragraph 29 below, the Attorney General and any other State official, State department, or State agency, acting on behalf of the State,

including CDPHE, to the extent the Attorney General has the power and authority under Colorado law to release claims of that person or entity as to the claim at issue, release the Released Parties from all Environmental Claims arising from or related to the Covered Conduct, including, without limitation, injunctive relief, penalties, fines, restitution, or other monetary payments.

29. The Attorney General reserves, and this Judgment is without prejudice to, all claims, rights, and remedies against Defendants, and Defendants reserve, and this Judgment is without prejudice to, all defenses with respect to all matters not expressly released in Paragraph 28, including, without limitation:

- a. any claims arising under state tax laws;
- b. any claims for the violation of securities laws;
- c. any criminal liability;
- d. any civil claims unrelated to the Covered Conduct;
- e. any action to enforce this Judgment and subsequent, related orders or judgments; and
- f. any claims alleging violations of state or federal antitrust laws.

VII. DISPUTE RESOLUTION

30. If either the Attorney General or CDPHE (the “Relevant State Agency”) believe(s) that the Defendants have failed to comply with any provision of this Judgment, and if in the Relevant State Agency’s sole discretion, the failure to comply does not threaten the health or safety of the citizens of the State of Colorado and/or does not create an emergency requiring immediate action, the Relevant State Agency shall provide notice to the Defendants of such

alleged failure to comply as well as notice to the other state agency. The Defendants shall have thirty (30) Days from receipt of such notice to provide a good faith written response, including either: (1) a statement that the Defendants believe they are in full compliance with the relevant provision; or (2) a statement explaining the violation's likely cause, how the violation has been addressed or how it will be addressed, and what the Defendants will do to prevent the violation from occurring again. Within the thirty (30) Day period, the Defendants may request a meeting to discuss the alleged violation. If the Defendants make such a request, the Relevant State Agency may meet with the Defendants, either by phone or in person, within ten (10) Business Days from the date of Defendant's request or at a later time if mutually agreed. The Defendants shall provide their written response in advance of any meeting with the Relevant State Agency, unless the Relevant State Agency agrees to waive this requirement. The request for, or occurrence of, a meeting does not enlarge the period of time for CDPHE to provide their written response, although the Relevant State Agency may agree to provide the Defendants with more than thirty (30) Days to respond. The Relevant State Agency shall receive and consider the response from the Defendants prior to initiating any proceeding for any alleged failure to comply with this Judgment.

31. Nothing in this Section shall be construed to limit the authority of either the Attorney General or CDPHE under Colorado law including its authority provided under the consumer protection and environmental protection laws and to issue investigative subpoenas.

VIII. MISCELLANEOUS

32. The provisions of this Judgment shall be construed in accordance with the laws of Colorado.

33. This Judgment is made without (i) trial or adjudication of any issue of fact or law; (ii) admission of any issue of fact or law; or (iii) finding of wrongdoing or liability of any kind.

34. The Plaintiff acknowledges that Defendants have provided sufficient information to resolve the Covered Conduct and the Attorney General agrees not to initiate or pursue any additional discovery from Defendants related to the Covered Conduct; provided, however, nothing in this Judgment shall limit the Plaintiff's right to obtain information, documents, or testimony from the Defendants pursuant to any state or federal law, regulation, or rule concerning the claims reserved in Paragraph 29, or to evaluate the Defendants' compliance with the obligations set forth in this Judgment.

35. Defendants agree not to deduct the Colorado Settlement Amounts in calculating their state or local income taxes in Colorado.

36. Nothing in this Judgment releases any private rights of action asserted by entities or persons not releasing claims under this Judgment, nor does this Judgment limit any defense available to the Defendants in any such action.

37. The Parties agree that this Judgment does not enforce the laws of other countries, including the emissions laws or regulations of any jurisdiction outside the United States. Nothing in this Judgment is intended to apply to, or affect, Defendants' obligations under the laws or regulations of any jurisdiction outside the United States. At the same time, the laws and regulations of other countries shall not affect Defendants' obligations under this Judgment.

38. Nothing in this Judgment constitutes an agreement by the Attorney General concerning the characterization of the amounts paid hereunder for purposes of any proceeding under the Internal Revenue Code or any state tax laws. The Judgment takes no position with

regard to the tax consequences of the Judgment with regard to federal, state, local and foreign taxes.

39. Nothing in this Judgment shall be construed to waive any claims of sovereign immunity any party may have in any action or proceeding.

40. Any failure by any party to this Judgment to insist upon the strict performance by any other party of any of the provisions of this Judgment shall not be deemed a waiver of any of the provisions of this Judgment.

41. Nothing in this Judgment shall constitute an admission or finding of fact or an admission or finding that Defendants have engaged in or are engaged in a violation of law.

42. This Judgment, which constitutes a continuing obligation, is binding upon the Plaintiffs and Defendants, and any of Defendants' respective successors, assigns, or other entities or persons otherwise bound by law. This Judgment shall operate as an injunction issued under C.R.S. § 6-1-110, provided, however, that nothing in this Judgment shall constitute an admission or finding that Defendants have been engaged or are engaged in any violation of applicable Consumer Protection Law or Environmental Law or has otherwise acted unlawfully.

43. Aside from any action stemming from compliance with this Judgment and except in the event of a Court's material modification of this Judgment, the Parties waive all rights of appeal or to re-argue or re-hear any judicial proceedings upon this Judgment, any right they may possess to a jury trial, and any and all challenges in law or equity to the entry of this Judgment. The Parties will not challenge or appeal (i) the entry of the Judgment, unless the Court modifies the substantive terms of the Judgment, or (ii) the Court's jurisdiction to enter and enforce the Judgment.

44. The terms of this Judgment may be modified only by a subsequent written agreement signed by all Parties. Where the modification constitutes a material change to any term of this Judgment, it will be effective only by written approval of all Parties and the approval of the Court.

45. Consent to this Judgment does not constitute approval by the Attorney General of the Defendants' business acts and practices, and Defendants shall not represent this Judgment as such an approval.

46. In entering into this Judgment, the Defendants have made no admission of law or fact. The Defendants shall not take any action or make any statement denying the legitimacy of this Judgment. Nothing in this paragraph affects the Defendants' right to take legal or factual positions in defense of litigation or other legal, administrative or regulatory proceedings, or any person's testimonial obligations.

47. Nothing in this Judgment shall create or give rise to a private right of action of any kind or create any right in a non-party to enforce any aspect of this Judgment or claim any legal or equitable injury for a violation of this Judgment. The exclusive right to enforce any violation or breach of this Judgment shall be with the parties to this Judgment and the Court.

48. Nothing in this Judgment shall relieve the Defendants of their obligation to comply with all federal, state or local law and regulations.

49. If any portion of this Judgment is held by a court of competent jurisdiction to be invalid by operation of law, the remaining terms of this Judgment shall not be affected and shall remain in full force and effect, unless the portion found to be invalid is of such material effect

that this Judgment cannot be performed in accordance with the intent of the Parties in the absence of any such provision.

50. This Judgment supersedes all prior communications, discussions or understandings, if any, of the Parties, whether oral or in writing.

51. Any filing or related court costs imposed shall be paid by the Defendants.
