RE: Branch Office Licensing

Use the attached application for supervised lender branch office licenses. After you have one supervised lender's license (designated as a "master license"), use this application for additional branches.

Branch offices are subject to all provisions of the Colorado Uniform Consumer Credit Code including annual license renewal, periodic compliance examinations, the filing of annual reports and proof of financial responsibility, and notification of name and address changes.

Submit the following information for each supervised lender's branch office:

1. Branch office license application form (attached), *including proof of financial responsibility for the branch location*. A separate application is required for each branch.
2. License fee of \$850 per branch payable to the Colorado Uniform Consumer Credit Code. This amount includes a \$100 surcharge for the Identity Theft and Financial Fraud Cash Fund in the Department of Public Safety, required by section 24-33.5-1707(2)(b), C.R.S. Branch license fees are subject to periodic adjustment.

After you file a completed branch application, proof of financial responsibility, and license fee, the branch location is automatically licensed for 120 days. During that time we will notify you of any additional materials to file, may conduct compliance examinations of existing locations and require corrective action, and will either approve a permanent license or deny the application for good cause. Branch approval is by letter; no license certificates are issued. Additional information on the UCCC is available on our website at www.coag.gov/uccc.
