Marijuana Offenses by Location

Source: Colorado Bureau of Investigation, National Incident-Based Reporting System data.
Note: "Elementary/secondary school" means that the offense occurred within an elementary or secondary school. "College/University" means that the offense occurred within a college or university. In 2012 there were 43 offenses where the type of school could not be determined.
Marijuana Enforcement
Pueblo County

- Pueblo County Sheriff’s Office-2016 YTD
  - 39 arrests in 27 homes
  - Over 5000 plants & 100 pounds of dried product seized
  - 6 BHO labs
  - 26 weapons, including an illegally altered assault rifle
Driving Under the Influence
Colorado State Patrol

Note: Citation type is classified according to the trooper’s impressions of the reason for impairment. Source: Data provided by Colorado State Patrol, 8/4/2016.
High school students drove after using:
- Marijuana—11%
- Alcohol—8%

Adults drove after using:
- Marijuana—9%
- Alcohol—28%
- Prescription drugs—6%
Traffic Fatalities

Source: Colorado Department of Transportation, Fatality Analysis Reporting System (FARS) data.
Note: Presence of THC does not necessarily indicate impairment because it may be for metabolites that stay in the system long after use. A driver can test positive for both THC and alcohol and those fatalities would be included in both of these totals.

DATA FOR 2015 ARE PRELIMINARY AND SUBJECT TO CHANGE
