**ATTORNEY GENERAL STATEMENT ON RELEASE OF MOUNTAIN STATES
EMPLOYERS COUNCIL REPORT**

DENVER—On Friday, June 7, 2013, Attorney General John Suthers informed the Colorado District Attorneys Council, the Colorado Public Defender, and the Colorado Criminal Defense Bar Council via letter of the report by Mountain States Employers Council.

Attorney General John Suthers issued the below statement today:

“The details of this personnel report involve a complex intersection of various laws, including civil, privacy and employment laws. Once prosecutors in my office became aware of the potentially mitigating nature of the information contained in the Mountain States Employers Council report, I immediately acted to ensure its expeditious release. Now that the report is available to defense attorneys and prosecutors alike, they can make a determination of how best to proceed with individual cases in their jurisdictions.”
